

REGIONAL HEALTH RESEARCH AND DEVELOPMENT CONSORTIUM XI
DIRECTORY OF RESEARCH PROPOSALS SUBMITTED TO RHRDC XI FOR FUNDING
 CY: 2006-2010

YEAR	PROPOSAL TITLE	PROPONENT	CATEGORY			
			Funded/ Completed	Funded/ On-going	Unfunded/ Unimplemneted	Unfunded/ Implemented
2006						
	Medication Management Systems of the Davao Doctors Hospital and the Brokenshire Integrated Health Ministries Incorporated: A Strengths, Weaknesses and Opportunities Analysis	Dr. Ma. Eva C. San Juan	/			
2007						
	No Research Proposal Submitted					
2008						
	Anti-microbial Susceptibility Testing on Tamanu Oil	Dr. Warlito C. Vicente	/			
	Women's Health and Level of Ethylenethiurea in the Air in Selected Banana Plantations in Davao City	Mr. Ruperto Hector A. Lindo	/			
	Factors Affecting the Voluntary Enrollment to PhilHealth of Individuals' Belonging to the Three (3) Lowest Wealth Index Quartile in Central Mindanao, 1998-2003	Ms. Sheila Bayquin				/
2009						
	Once Daily versus Weekly School Based Directly Observed Supplementation of Ferrous Sulfate Tablet In Iron Deficiency Anemia: A Randomized Controlled Trial	Dr. Chanda Rivas Uy	/			
	A Randomized, Double-blind, Placebo-controlled Clinical Trial on the Effectiveness and Safety of Turmeric (<i>Curcuma longa</i>) Tea on the Lipid Profiles of Hypercholesterolemic Patients	Raymund Thomas Basa, Ma. Mae Seedfaith Crispin, Juan Carlo Basilio Joaquin, Ceasar Benjamin Ubaldo (ADDU)	/			

	Assessment of Posttraumatic Stress (PTS) Symptomatology and the Development of an Abbreviated Narrative Therapy Module for Treatment of PTS Symptomatology among Active Duty Troops	Gail Ilagan (AdDU)				
2010						
	“A Randomized, Double-blind, Placebo-controlled Clinical Trial on the Effectiveness and Safety of a Tongkat Ali–Based Supplement on the Blood Testosterone Level of Adult Men”	AdDU Students				/
	Randomized Controlled Trial Assessing the Efficacy of Virgin Coconut Oil in Preventing Dengue Hemorrhagic Fever Complications and Nosocomial Infection	Anna Lee C. Pacheco, M.D.				/
	Comparative Study of the Effects of Malunggay (<i>Moringa oleifera</i>) Ethanol Extract and Ezetimide on the Lipid Profile of Guinea Pigs (<i>Cavia porcellus</i>)	DMSFI Students		/		
	Acute Toxicity Dose and Approximate Effective Dose of Calabash (<i>Crescentia cujete</i>) Decoction as a Hypoglycemic Agent in Alloxan-Induced Rabbits	DMSFI Students		/		
	Antimutagenic Effect of Chinese Hibiscus (<i>Hibiscus rosa –sinensis</i>) Extract Against Mitomycin C Using Modified Ames Salmonella Mutagenicity Test: A Pilot Study	DMSFI Students		/		
	Acute Toxicity of <i>Phyllanthus niruri</i> Extract Using LD50 and its Effect on the Serum Alanine Aminotransferase Level of Acetaminophen-induced Liver Damage in Rabbits (<i>Oryctolagus cuniculus</i>)	DMSFI Students		/		
	Acute Toxicity Dose of Chayote (<i>Sechium edule</i>) Leaf Extract in Mice and Effective Dose (ED50) in Lowering Uric Acid in Pyrazinamide-Induced Hyperuricemia in Rabbits	DMSFI Students		/		
	Hepatoprotective Effects of Gulancha (<i>Tinospora crispa</i>) Pure Extract on Paracetamol-Induced Liver Injury in Albino Rats (<i>Rattus norvegicus</i>)	DMSFI Students				/
Trolox Equivalent Antioxidant Activity (TEAC) of Sargassum Water Crude Extract Decoction and Infusion Preparation using ABTS (2,2'-azinobis 3-ethyl benzothiozoline-6-sulfonic acid) radical cation decolorization assay	DMSFI Students		/			

A Comparative Study on the Effect of <i>Centella asiatica</i> Crude Extract and Silver Sulfadiazine on the Rate of Wound Healing of Decubitus Ulcer of Patients at Southern Philippines Medical Center	DMSFI Students		/		
Effects of Sambong on Urine pH, Specific Gravity, Potassium and Serum Uric Acid Levels of Hyperuricemic Rabbits	DMSFI Students				/
A Comparative Study on the Efficacy of <i>Azadirachta indica</i> (Neem) Leaf Extract-based and N, N-Diethyl-M-Toluamide-based (OFF!) Mosquito Repellant Lotion	DMSFI Students				/
